Consider.

Are Your Fabrication Costs Continually Rising?

Is your Productivity Variable?

Is Safety Important to you, your Customers, and your Employees?

Consider using WeatherJacs® pressed Tees and see the difference they can make.

Safety Impact • Helping you become a Safer Employer

- Factory deburred edges • Safer to handle
- Pre made • Reducing exposure to repetitive motion and potential cuts
- Eliminates on site bead and crimp • Reduced exposure to dangerous equipment

Safer. Smarter. Faster.
